

ZUMA

COOL SMOOTH FRAPPES

- Made with real coffee & cocoa
- 5 delicious flavours
- Quick and easy to make
- Popular high margin menu item
- Alternative to coffee in summer
- No unhealthy hydrogenated fats
- No preservatives, no GMO's
- Fairtrade Caffe Frappe available

Zuma frappes are a delicious, easy to make, high margin blended drink. With major chains quoting up to 30% of cash turnover on frozen drinks alone it's easy to see why more outlets now offer frappes, helping to boost coffee sales all year round.

Zuma frappés allow you to create thick, smooth and consistently delicious iced blended drinks. Containing real vanilla and coffee to give strong, natural flavours, Zuma Frappés have a low fat content and contain no unhealthy hydrogenated fats.

Caffeine-free Vanilla mean you can add your own blend of espresso or serve them to kids. It also makes a fantastic base for an array of drinks when used with syrups, sauces and smoothie mixes, try vanilla frappe with peach smoothie mix for a delicious Peaches & Cream smooth cool treat.

CAFFE

Medium roast Brazilian coffee with a full creamy flavour.

VANILLA

(CAFFEINE-FREE)

Delicious as a frappe but also a great base. Made with real white chocolate and vanilla.

MOCHA

A superb blend of medium roast Brazilian coffee, cocoa and real chocolate.

STICKY TOFFEE

A great combination of coffee, cocoa and 10% real toffee pieces.

CHOCOLATE

(CAFFEINE-FREE)

Blended West African cocoa with 10% real chocolate a real chocolatey treat!

FAIRTRADE CAFFE FRAPPE
