# BRISTOL<sup>®</sup> SYRUP CO.

**The Bristol Syrup Company is a collaboration between Beyond the Bean and the best of Bristol bartenders, distilling down years of experience to create a range of quality cocktail syrups and purées .**

From classic bar staples like orgeat and vanilla through to innovative, award-winning shrubs, sherbets and disco, our syrups are designed for bartenders. We believe the quality and taste of syrup should be as well considered as the chosen spirits, juices and fruits, which is why they are made in our Bristol based syrup plant, with British sugar.

Our syrups are favoured by bartenders around the country, stocked in over a third of the UK's top 50 Cocktail Bars 2023 and chosen by both high-volume bars such as Fridays and luxury venues like Claridge's.

We're proud to introduce new fruit purées and juices to the Bristol Syrup Company collection in 2023.
